

What if the Coulee Region Humane Society could earn a minimum of 10% of eBay's profit every time you purchased something on eBay? Well, now we can! When you are planning to visit eBay to search or make a purchase, you just have to go through the eBay link on couleeregionhumanesociety.inlacrosse.com. It's that simple! There is even a "favorites" shortcut for you to set up on your internet browser to take you right to our page every time you are planning to go to eBay. It doesn't cost you or the Coulee Region Humane Society anything, so why not do it? Remember we can only earn money if you use the link. Tell all of your friends and family that they can help too!
